Transfer Rules

- a) No transfer will be granted after an athlete has registered for the season. Except that athlete may seek a transfer at the end of the winter season, prior to competing in any summer track and field competitions.
- b) All transfer applications must be made on this form and passed to the Club you wish to join who will then request a transfer release via the OST on line system. Clubs must email the leaving club and membership@tasathletics.org.au when they have loaded the transfer request in OST. Email requests may be used between clubs and AT should the transfer not be able to be actioned in OST following receipt of this form.
- c) Transfers may only be declined on the basis that the athlete seeking the transfer is in debt to or remains in possession of property belonging to the transferring club or is in breach of any signed undertaking with that club.
- d) An athlete who has not registered with any club after a lapse of (3) consecutive years shall not be required to obtain a transfer. (In exceptional circumstances an athlete may appeal to the Athletics Tasmania Board for a ruling.)
- e) Interstate transfers – these will automatically given by Club, Branch or State body if athlete has genuinely moved residence provided that the athletes does not owe any monies or has failed to return any perpetual trophies or other property belonging to his/her departing club or branch or Athletics Tasmania.
- f) No fee is payable upon any application for transfer.
