To make up a team, all runners must be from the same school. As team times and placings take time to collate, team results and medal presentations will not therefore be made on the day in these categories.

1. Events in the all age groups are selection trials for the State Cross Country Team. Athletes competing in the Under 17 and Under 15 events will also be considered for State selection in the Under 18 and Under 16 age groups respectively. Under 20 athletes, if selected, will be required to run 8km for males and 6km for females at the Australian Cross Country Championships. This year, athletes will be able to nominate for state selection in the 2018 Australian Secondary Cross Country Exchange on the Sunshine Coast, 24 – 27 August 2018. Athletes will also be eligible to nominate for the Athletics Australia Cross Country Championships, held in conjunction with the Cross Country Exchange.

2. All athletes who are automatically selected, plus any athlete selected by discretion, will be given nomination information from Athletics Tasmania. Athletes must indicate to Athletics Tasmania whether they wish to accept the nomination by 5.00pm on the following Monday (9th of July, 2018). Whilst this is during the school holidays, your assistance in ensuring the entries and bookings involved can be processed is appreciated. Full details of the selection policy will be available prior to the event at www.tasathletics.org.au

3. Where there are less than three athletes from a school in a particular age group, the individual entry fee applies to those athletes. The team entry fee of \$60.00 applies where there are 4 or more athletes in the same age group. Team placing will be announced at a later date after the collation of all results.

4. All waiver clauses as set out on the individual form apply also to team entries. Teachers must make athletes and parents aware of same.
