Save the Date!

The Athletics Tasmania **AGM** is scheduled for Saturday 21 July.

The **Tin Shed** gym membership renewal was due at the beginning of April. AT remains committed to the Tin Shed project, and creating a great space for athletes to train. To renew or become a new member, register here: <https://athleticstasmania.typeform.com/to/NNHacC>

Function room bar upgrade

The upgrade of the bar area in the Domain Athletics Centre function room is complete and it looks fantastic! AT hope to continue the upgrade of the function facilities, and are seeking further funding and support to make this happen.

Unfortunately the Function Centre sustained some damage in the recent storm, with damage to ceilings and carpet. The Athlete of the Year Awards will take on a slightly 'rustic' feel with the carpet having to be pulled up and not yet replaced, but it will still be a great celebration of our Tassie athletes!
